

7 Simple Steps to Navigating your Claim Process

1. Property Damage Inspection

The first step in your claims process will be to meet with an Armor Shield Exteriors LLC Representative for a thorough property inspection to evaluate the damage to your home and produce an initial estimate as to necessary repairs. This is a [free, no obligation service that Armor Shield Exteriors LLC. provides](#) in order to give you the best possible customer service and handiwork.

2. File Your Claim with Your Insurance Company

The next step is to file a claim with your preferred insurance provider while instructing them to contact your Armor Shield Exteriors LLC. Sales Associate. This enables us to interface directly with your insurance company, saving you time, effort, and nuisance by not constantly having to be on the phone.

3. Adjuster's First Contact

After your insurance claim has been filed, your insurance company will contact you and Armor Shield Exteriors LLC. to schedule an inspection with their insurance adjuster. Again, Armor Shield Exteriors LLC. will interface directly with the insurance adjuster so you don't have to.

4. The Adjuster Meeting

One of the most important steps in this process is meeting with the adjuster. The insurance adjuster's role is to educate you on the extent of the damage to your home, and to initiate the process for the financial settlement of your claim.

5. Material and Color Selection Meeting

This is the fun part! Choosing materials to rebuild and replace the damaged part of your home is a critical step. After Armor Shield Exteriors LLC. receives approval from your insurance company, we will provide you with samples to enable you to choose the colors and products for your home's new exterior. Once you've made your decision, your home repair project will enter Armor Shield Exteriors LLC. production schedule for repairs and completion.

6. Rebuilding

Once you've selected the colors and products that best suit your home, Armor Shield Exteriors LLC. will deliver the materials to your home site and send a trained, certified crew of construction professionals to restore your home back to its original condition, retaining your home's value and aesthetic quality.

7. Inspection

Once Armor Shield Exteriors LLC. has completed the production process and finalized all necessary repairs, our inspectors will scrutinize the repairs to make sure they have been completed to the highest possible standards. Any lingering issues or touch-ups will be completed while the inspector is on site.
