

The Big Print

- To be eligible to be counted as a referral, we must sign the referred customer to an agreement and do the agreed upon work.
- The agreed upon work must be at least \$6,000
- The referred customer must tell Trinity Exteriors, Inc that you referred them before work starts on their property.
- Referral rewards must be cashed in by the end of each calendar year, i.e. if you have referred five people in one calendar year, they will not carry over to the next calendar year, unless authorized by the President of Trinity Exteriors, Inc.
- When you elect to receive a reward, your total goes back to zero. For example, if you have 3 referrals, then refer 2 more before the end of the calendar year, you don't get the reward for 3 and 5. You would get the reward for 3 and 2.
- Before the referral award can be given, the referred customer must pay in full for the work done.
