RE: IWWA Permit #XXX-XXX, Application #20XX-XXX, 0 Main Street

DEAR XXXXXXXX:

In accordance with Permit #XXX-XXX issued by Greenwich Inland Wetlands and Watercourses Agency for the redevelopment of 0 Main Street and the note filed on the Town's Land Records (copy enclosed), a licensed professional engineer is to inspect and certify the Cultec drainage chambers and related stormwater structures every five years to ensure the system has been properly maintained. The first of these inspections summaries is now due. Please provide us with a copy of this inspection no later than June XX, 20XX.

Please feel free to contact the Agency office if you have any questions concerning this matter.

Sincerely,

Wetlands Compliance
