

Dear Mr. and Mrs. Chaney,

Hello, my name is Caitlin [REDACTED] and I am writing to thank you for your donation on my turkey at the 2014 San Antonio Stock Show. This was first year to show, and you have helped make it a wonderful experience. I have learned that it takes a lot of responsibility and dedication to care for turkeys every day.

I plan to use the money you donated on my college education. I am looking forward to raising more animals next year.

Thank you for supporting the S.A.L.E. I am thankful that people like you help support 4-H kids like me.

Sincerely,

Caitlin [REDACTED]
